Professional Experience

Software Developer Intern, Nagad
20th January, 2025 – Present

Assigned under the guidance of **Mizanur Rahman** on the **ERP Project**, aimed at optimizing enterprise resource planning systems. Actively acquiring expertise in **C#**, **.NET Core**, **API** to deliver effective solutions. Focused on leveraging the **.NET tech stack** to enhance back-end development while seamlessly integrating with modern front-end frameworks.

Technical Skills

C, C++, C#(Beginner), OOP, Git, GitHub, Linux, MySQL, Data Structure & Algorithms, Problem Solving, HTML.

Scholarship and Awards

- ACM ICPC Jamilur Reza Chowdhury Scholarship 2024
- 1st Runner-Up UAP EEE FEST Programming Contest 2.0
- 2nd Runner-Up UAP EEE FEST Programming Contest 1.0
- 2nd Runner-Up at UAP- IUPC 2022
- 5th in Inter Dept. Math Olympiad 4.0
- 10th in Inter Dept. Math Olympiad 3.0

Personal Experience

Honorable Programming Contest Participation

- The ICPC Asia Dhaka Regional Programming Contest, 2023
- The National Collegiate Programming Contest, 2024
- The ICPC Asia Dhaka Regional Programming Contest, 2024

Data Structures and Algorithms

- Problem Solving Solved over 1000 Data Structure and Algorithm related problems
- Teaching DSA Uap Programming contest club

Online Judge Profiles

- CodeforcesHandle: Azmee (Max Rating: 1234 — Pupil)
- CodeChefHandle: Azmee (Max Rating: 1502— 2* Coder)
- HackerrankHandle: Azmee (4 Star in Problem Solving)

Programming Trainer at Campus

- Mentoring junior problem solvers and taking workshops
- Arranging virtual contests and problem-solving discussion sessions

Education

B.Sc. in Computer Science & Engineering
University of Asia Pacific, Dhaka, Bangladesh
2021–2025
CGPA: 3.71 out of 4.00

Competitive Programming Career

- Problem Setter at UAP Programming Contest Club
- UIU CSE FEST IUPC 2025
- Samsung R&D Programming Contest 2024, Qualified for 2nd Round
- SUST CSE Carnival IUPC 2024
- IUBAT Collaborative Programming Contest 2024
- UAP Omor Ekushe Programming Contest 2024
- BUET CSE fest IUPC 2023
- UITS Collaborative Programming Contest 2023
- SEC Inter-University Junior Programming Contest, 2022
- Participated More than 100 online Contests

Volunteer Experience

- 45th ICPC World Final, Dhaka, Bangladesh
  At the 45th ICPC World Final 2022, I was part of the technical team responsible for setting up machines and verifying software installations.
- Ada Lovelace National Girls' Programming Contest 2022
  For the Ada Lovelace National Girls' Programming Contest 2022, I was a key member of the technical team, providing immediate technical support to ensure the smooth execution of the event. sample

Project

Employee Management System
During my undergraduate studies, I developed a console-based application using the C programming language. The application featured both an admin account and user accounts, along with several additional functionalities to enhance usability and performance.

Certificates

Basic Problem Solving, Java Basic Skills Certificate, Python Basic Skills Certificate, SQL Basic Certificate from Hackerrank.

Academic Awards

- Vice Chancellor's Award, Spring 2021
- Vice Chancellor's Award, Fall 2021
- Vice Chancellor's Award, Spring 2022
